Why Online Retail System ?

Corona has a negative impact on individuals' businesses. We designed it to bring everyone into this era of eCommerce, to obtain financial stability.

“Ecommerce isn’t the cherry on the cake, it’s the new cake”

Jean Paul

"The e-commerce industry is a force that no investor can afford to ignore.",
Suisse CUSHLA SHERLOCK

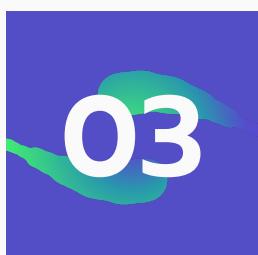

Why we Choose MongoDB ?

Faster Due to
unstructured Data

Easy to Understand &
Maintain (no schema).

Flexibility (Multi Data
Types)

Used to Handle Big
Data
